

PARK FACILITIES

Guest Services:

Located opposite the Grand National, the team are happy to assist should you have any questions or queries during your visit.

Accessible Toilets:

We have accessible toilets in the following locations:

- Balmoral Car Park
- Tickets & Information Area
- Bowl A Drome
- Superloos opposite the Alice Ride
- Superloos opposite the Big Pizza Kitchen
- Nickelodeon Land

Adult & Child Changing Facilities:

Changing facilities can be found in Nickelodeon Land behind the SpongeBob Splash Bash Ride, to the left of the Nickelodeon Land Shop. Radar key access is required, however for those guests without a Radar key, a toilet attendant can be summoned by pressing the button outside the changing room. The changing facilities include a fully adapted adult restroom, adult changing bed, hoist (guests should use their own harness) and an emergency assistance alarm.

Learning & Sensory Space:

Bradley and Bella's Learning Garden, situated underneath the Avalanche ride, is a magical area where children and families can explore, learn about plants and flowers and take some time to relax during the day.

For more information, please scan the QR code to visit the Accessibility page of our website

****ICON**
Riders heads must not be above the headrest. A minimum height of 150cm applies to the rear seat. Guests without one or two legs above the ankle shall not be allowed to ride ICON, with or without prosthetics. Guests with one or two feet (below the ankle only) can ride ICON, provided they have the ability to hold on with two functioning hands and their prosthetics are securely attached.
Please note: the definition of 'functional arms' and 'functional legs' includes prosthetic limbs, but they must be securely attached.
